The minimum number of characters for writing comments is 100. The maximum number of characters allowed in comments is 1200. If you type in less than the minimum number or more than the maximum number the comment will not be saved. If you would like to write substantially more about one or more restaurants please use the "Contact Us" form. If what is submitted is suitable for publishing as an article or inclusion in something previously posted on taosdining.com, then we'll most likely be glad to do so.
